Dear Sirs,

By the Geological Survey of your Department of Interior we received your address and the notice you are publishing a monthly Bulletin, the "Consolidated Translations Survey".

We are interesting to everything concerning the gravity and magnetic survey and the seismic exploration, published in the Russian, Chinese, Hungarian, Rumanian and East-German revues.

We should be very grateful if you can say us if it is possible receive your Bulletin and, eventually, the translations in english or french or spanish or, better, italian languages and, also, the cost of your service, if you are doing it.

Thanking you very much

Sincerely yours

AGIP MINERARIA
